AIR TRAVEL

Mr. Martin will make his own travel arrangements due to the fluid nature of his schedule. In the event that the cost of the airline ticket is at a premium due to last minute scheduling changes, the cost of a regular roundtrip ticket from Austin will be charged.

LOCAL TRANSPORTATION

If a rental car is desired, Mr. Martin uses National car rental. He will make reservations for a rental if local transportation is to be handled in this manner.

Mr. Martin often travels with multiple pieces of luggage due to extended tours. Please keep this in mind when arranging a vehicle for airport pickup.

HOTEL ACCOMODATIONS

Mr. Martin requires a nonsmoking room with Internet access and a king size bed. Mr. Martin prefers to stay at Hilton and Marriott properties (Hampton, Embassy, Courtyard, etc.). Hotel Rewards Numbers will be provided. The use of this number allows for certain premium upgrades without charge.

In the case of a long commute to the airport of departure, it is recommended that arrangements be made at an airport hotel that provides shuttle service. Mr. Martin likes to be at the airport at least ninety minutes before the departure time.

CHORAL RESOURCES

The church, school, or community chorus is responsible for purchasing all choral resources. **Photocopies are not permitted** with the exception of original commissioned premiers.

Mr. Martin typically offers his CD's for sale during the course of an appearance. It would be helpful to have several people to assist with the vending of the product following an event. This will allow Joe to give his undivided attention to this important time before and after an event. A table for vending is requested.
